

5th Physics H

- Mechanics: Kinematics, Newton's Law, Conservation of Momentum, Friction, Work, Energy & Power. All Exhibited with Exam Questions from Both LCH & Mock Papers.
- Geometrical Optics: Reflection & Refraction, Power of Lenses, The Eye, Fibre Optics. All Exhibited with Both LCH & Mock Papers.
- Theory of Light as A Wave, Interference & Diffraction, Spectrometer, Diffraction Grating Formula. All Exhibited with Both LCH & Mock Papers.
