

# ONLINE PERMISSION SLIP

Kilmartin Educational Services

## Online Permission Slip

Dear Parents/Guardians

There have been changes in the provision of classes in the educational sphere over the last number of months, and in Kilmartin Educational Services we are doing our best to adapt and evolve to these changes.

Our classes will run as hybrid classes, solely online or solely onsite. This will depend on the class teacher.

If your son/daughter has chosen to attend an online live grind class, here are a few rules:

- Students must be online 15 minutes before the class starts.
- Students must not be on their phone during the class.
- Students must not be recording the class, the teacher, or other students.
- Students will not be permitted to join the online classes unless the below permission slip is returned and prepayment for the class is made.

These classes will be recorded by the teacher and/or Kilmartin Educational Services.

These recordings will be shared with other students, who were unable to attend the class.

We recommend that cameras are switched off and please note that all voices may appear on the recording for educational purposes if students participate in class.

While every effort is made to ensure the content of material covered is accurate, errors may occur.

Student's access to the recording will expire after 24 hours, unless otherwise stated by the class teacher.

For additional terms and conditions regarding our online grinds and platform, please revert to our Online Policy, which is on the website [www.kes.ie](http://www.kes.ie)

Please sign the permission slip below and return to Kilmartin Educational Services or by email to [info@kes.ie](mailto:info@kes.ie).

-----  
I wish to confirm that I understand the terms and conditions of the online classes in Kilmartin Educational Services and I confirm that I give permission for my son/daughter to attend.
